

AUM MATH, COMPUTER SCIENCE & ENGINEERING CLUBS

Friday, October 5, 2018

12:30 pm-2:00 pm, Goodwyn Hall Room 201

Robotics Demonstration

Interested in robotics? GEARS Inc. (General Engineering and Robotics Specialists) will be giving a demonstration of their robot and discussing their process for competing in the high school BEST (Boosting Engineering Science and Technology) robotics competition. The demonstration will inform listeners about this year's task, what BEST robotics involves, and how you can get involved.

**Open and free to all AUM students and faculty
Pizza and refreshments will be provided**
